

OPERATION:

MEDICINE CABINET

Saturday - May 8, 2010

The Cuyahoga County Sheriff's Office, in cooperation with local law enforcement, Home Instead Senior Care, and Drug Awareness and Prevention Inc., would like to help you to safely dispose of any outdated or unwanted prescription medications.

Nationally, teenage prescription drug abuse is rapidly increasing, and your family MEDICINE CHEST could become a teenager's best supplier.

Help to protect the environment from overdosing on improperly disposed of medications. Collection programs greatly lessen the chance of prescription medications entering our water supply, or the food we eat.

This is a completely confidential program. No personal information will be asked! Please remove all prescription labels before arriving. All medications will be collected between **9:00am to 2:00pm**, and held only by law enforcement officers until they can be disposed of safely. For more information call 1-800-473-6467
